Tigard, OR 97223

Your tax deductible contribution directly benefits the 500+ families who visit St. Anthony's Food Pantry monthly. Feed em Fresh provides over **900** pounds of fresh fruits and vegetables each week, coupled with **110**, 1/2 gallons of milk.

 **Feed em Fresh...** was founded in 2009 solely to fulfill the need for fresh fruits and vegetables at the St. Anthony's SVDP Food Pantry. We make this happen through monthly or annual contributions and events like this. 100% of all monies collected go directly to our Food Pantry striving to make sure no family goes home without fresh produce and now milk as well. We look forward to spending a beautiful late summer evening with you.
