

WELCOME
ST. ANTHONY CATHOLIC COMMUNITY
Pentecost Sunday

Greetings

I hope you are well and I pray that you are happy. Happy Pentecost or should I say Happy Birthday Church! It is truly a day to celebrate and rejoice. The church is not some building on McKenzie Street but rather a people gathered together, people who live on every street, people coming together to form community. Church is you and me giving praise and glory to God. We are the church. Whether we have a cathedral to worship in or a mere garage, WE ARE THE CHURCH.

The power of the Holy Spirit brings us together and fills us with many gifts. Understanding is to know the meaning of God's word. Wisdom lets us see the hearts and beauty of each person and to know that God is the way, truth and life. Counsel helps us to make the most correct choices on our journey towards following God. Courage is the ability to be strong in living the truth. Knowledge is the eagerness to learn, to read, to study and to explore the mysteries of faith. Piety helps us to spend time in prayer before God and to know the importance of worship and praise. Fear of the Lord is the gift of WOW before God and the desire to fall on one's knees before the Creator of the Universe. With these gifts we encourage one another and live the Gospel message of love.

The Holy Spirit is the breadth of life. On this special day we are reminded of our Sacraments of Initiation: Baptism, Eucharist and Confirmation. In each of these Sacraments, the Holy Spirit is at work. The Holy Spirit wishes to ignite the flame in our hearts which allows us to see with eyes of love and arms to lift up the lowly and legs to walk along with those who need our

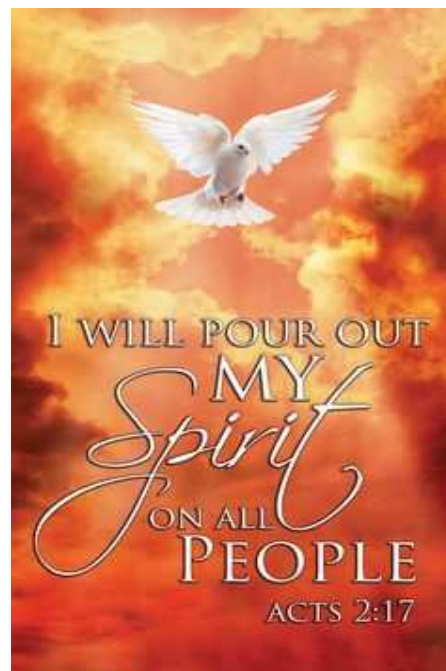

support and voices to speak words of hope and comfort.

YES, the Holy Spirit is powerful and desires to share that power with each of us. Let this be our prayer: I open my heart to you, O God and I welcome you Holy Spirit! Holy Spirit fill me with every good gift. Come into my life and continue to bless me with Understanding, Wisdom, Counsel, Courage, Knowledge, Piety and Fear and Awe. Holy Spirit walk with me and in me every moment of my day. Ignite the flame of love in the depth of my heart and guide me to share and live love. Help me to treat each person with dignity and respect and to be willing to defend each life that is under attack. Holy Spirit come! Come, and bring peace, joy and hope as I continue to follow your will in my life.

Have a great week.

Your friend

EUCCHARISTIC PROCESSION, SUNDAY, JUNE 18

On the Solemnity of the most Sacred Body and Blood of Christ, June 18th, we honor the real presence of Christ in the Eucharist. For hundreds of years, the universal church has celebrated this feast with Eucharistic processions.

We will be hosting a Eucharistic procession after the 11 AM mass, (around noon) on Sunday, June 18th. We will process around the church grounds stopping at three stations/altars.

Each station will be in a different language, representing one of our three language communities. The procession will also include benediction and a time of adoration at the conclusion.

If you have any further questions, please contact Nichlas Schaal at nschaal@satigard.org.

CONGRATULATION TO OUR GRADUATES - CLASS OF 2017

BLESS YOUR DAUGHTERS AND SONS Lord as they stand proudly in the light of their achievements. We pray that they may continue to grow in mind and heart, in wisdom and compassion, in faith and gentleness.

Enable the 8th graders, high school and college graduates of St Anthony

Parish to see clearly that they can choose a meaningful life; they must dare to dream, and above all, know that they are dearly loved.

Amen

FREE PIANO

Our parish has a well loved

Cable-Nelson upright piano that we are no longer using. If you would like to give this piano a new home, you would need to move it from its current location in the church basement (Chapter Room). You would most likely need a truck and several strong friends. If you are interested in adopting this old parish friend, call Greg, 503-896-114

Thank you!

From **Jim Haberski**, Director, St Anthony Cemetery Thank you so much to all the wonderful people who came out for the Cemetery Work Party last Saturday. What a great job you did on the bark dust, planting and weed trimming! Everything went perfect. We all worked well together. I just can't say enough on what a great job you all did. And like always, the Knights of Columbus showed up in force and did what they do best (WORK HARD!) and served a wonderful lunch made by Chef Kevin Guenther and his crew. Thank you all!

Blood Drive

**Tuesday, June 27, 2017 1:30 to 7:00 PM
In St. Anthony's O'Reilly Hall**

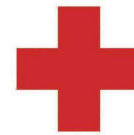

There's always a need for blood.

Some facts about blood needs:

- ✦ Every 2 seconds someone in the US needs blood
- ✦ More than 44,000 blood donations are needed every day
- ✦ The average blood red cell transfusion is about 3 pints
- ✦ A single car accident victim can require as many as 100 pints of blood

Four types of products can be derived from blood, red cells, platelets, plasma, and cryoprecipitate. Typically 2 or 3 of these products are produced from 1 pint of blood; hence each donation can save up to 3 lives.

OR Legislators Move to Allow Starving, Dehydrating the Mentally Ill

Oregon Right to Life by

David Kilada

Senate Bill 494, recently introduced in the Oregon Legislature, would allow the starving and dehydrating of patients who suffer from dementia or mental illness. A perfect illustration of the danger this bill presents can be seen in a situation involving an Ashland resident named Nora Harris who suffered from Alzheimer's disease. After moving into a memory care facility, Nora eventually lost the ability to communicate her wishes. She lost her fine motor skills as well, which prevented her from using utensils. Hungry, she would eat and drink what was offered to her, but her husband sought a court order to require the nursing home to stop assisting her. However, the court would not deny Nora basic sustenance because that would have violated Oregon law. Now Oregon legislators are pushing to remove this legal protection!

SB 494 removes current safeguards which prohibit surrogates from withholding ordinary food and water from conscious patients with conditions that don't allow them to make decisions about their own care. Cur-

rently, patients like Nora are given help with eating and drinking when they cannot do it themselves. This is not tube feeding or an IV—this is basic, non-medical care for conscious patients.

The way these safeguards are removed is subtle. A cursory look at SB 494 might lead you to think it merely updates the law regarding advance directive. This is true, but there's more. If the bill passes, it could allow a court to interpret a request on an advance directive to refuse tube feeding to also mean you don't want to receive spoon feeding! SB 494 would also create a committee, appointed rather than elected, that can make future changes to the advance directive without approval from the Oregon Legislature. This could easily result in further erosion of patient rights. **UPDATE: SB 494** has moved from the Judiciary committee to the Rules committee. The Rules committee is the last committee to close so SB 494 can be moved to a floor vote at any moment until the session ends. This bill is deadly and must be defeated. Your representatives in the Oregon legislature need to hear that patients have a right to food and water.
