

## **Our Philosophy**

St. Anthony affirms parents as the first and primary teachers of their children. We assist them in their role as Christian educators by providing an environment that is Catholic in its values, creative in its education, while teaching to the needs of our students. We emphasize the education of the whole child through spiritual, academic, psychological, social, cultural and physical development. St. Anthony School subscribes to all policies and requirements of the Archdiocese of Portland in Oregon.

## **Enhanced Curriculum**

At St. Anthony, our program is developmentally age appropriate and incorporates the child's whole mind, body and spirit. Students receive exposure to our rich diversity and cultures.

## **Our Mission Statement**

St. Anthony is a Christ-centered Catholic school and community dedicated to promoting an environment that nurtures on-going faith development and encourages the whole child to become an active Catholic, a responsible citizen, and life-long learner.

- Small class sizes
- Weekly Mass
- Yearbook

## **St. Anthony Enrichment Programs**

St. Anthony offers more than just the required core curriculum. A variety of field trips, service projects, and hands-on learning opportunities are integrated into each grade.

Giving back to the community and those less fortunate is strongly emphasized at St. Anthony. Classroom service projects and school-wide service projects are on-going at all grade levels. Our middle school students are required to give 20 hours of community service every year. This requirement is easily met and often surpassed as our students have embraced the idea that giving can be more rewarding than receiving.

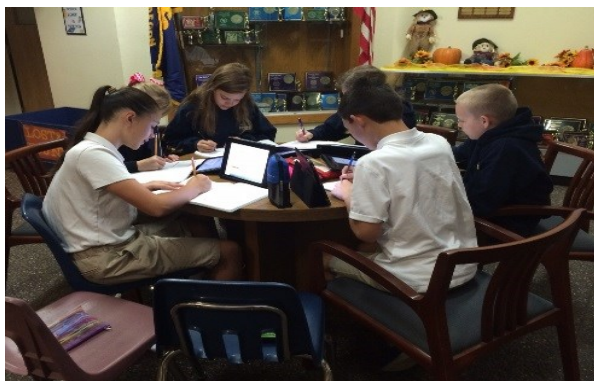

Students are offered an opportunity to share projects they've completed and talents they possess. All grades participate in the annual Christmas Program and Specials Fair. A Science Fair, State and County Fair and Middle School play showcase our older students' talents.

## **About St. Anthony**

St. Anthony School is a Catholic school founded in 1922 under the direction of the Sisters of Charity of the Blessed Virgin Mary. Faculty and staff, parents, the School Advisory Council and members of St. Anthony Parish are involved in promoting an exceptional program which fosters growth of the whole child. Every facet of the school reflects its Christ-centered mission and philosophy.

St. Anthony enjoys a wonderful reputation on its curriculum which is carefully designed so that each grade builds on the previous year. When a student graduates from eighth grade, he or she is prepared to excel in high school.

St. Anthony prides itself for being a part of children's education now and providing tools for their future education.

## **State Certified Preschool**

St. Anthony Preschool program prepares each child socially and academically for kindergarten success. We believe that preschool should be an extension of the home environment — a place where children can learn and feel safe doing so.

Our curriculum is developmentally age appropriate and lessons are designed individually for each class.

Included in the program:

- ◆ Alphabet identification
- ◆ Phonological awareness
- ◆ Math
- ◆ Science
- ◆ Social Studies
- ◆ Art / Music
- ◆ Physical Education

## **Honoring Our Past, Building Our Future**

*As we look to the future, we see continued growth in all of our classes. With this growth, a new school facility will be imperative to foster and sustain the success of our school.*

*~ Andy Nichols, Principal*
