

Called to Protect™ Trainings

For Volunteers Who Work With Children

at St. Anthony Parish

July 2018-June 2019

The Archdiocese is committed to preventing and fully addressing child abuse by any Archdiocesan personnel, and to recognizing and responding to signs of child abuse in the children it serves.

All Archdiocesan personnel, paid or volunteer, must complete the Archdiocesan *Background Check Request* and *Authorization* forms and are required to attend training dealing with the recognition of and reporting requirements for child abuse.

The Called to Protect™ program has been chosen as the vehicle for personnel training on this topic. Parishes have been asked to complete this training for all personnel prior to volunteering.

The training consists of 2 video presentations and discussion.
